Packing and Shipping:

Packaging and Shipping of LED Plant Grow Lights

The LED Plant Grow Lights are securely packaged in a compact box with foam padding to protect the lights from damage during shipment. The box includes all the necessary components for the lights to work, including the power cord, mounting screws, and user manual.

The lights are shipped via FedEx or UPS and can be shipped to most countries. Delivery time depends on the destination country. Customers will receive a tracking number when the shipment is dispatched.
